December, 2011

Gentlemen,

Another great month of " Casting For Partners ". It looks like the S.A.L. membership bait is working. We are ahead of National's goal. Overall we are at 52.53 %. Great job there guys.

Congratulations to 1st Division for going to the top again. What a great battle among the Divisions. Everyone is in this thing. Only 6.42% from top to bottom. Keep it going, it nice to see the challenge.

We have some guys out there really working there butts off and getting the job done, and we appreciate that. But, on the same note, we have some Districts and Squadrons that haven't shown any increase from the beginning of the year. We have 43 Squadrons with 0 reporting. We need those District Commanders to get out there and do their jobs. Give your Squadron Commanders a call. Give them a kick start. Tell them it's time to make their move. If they need help, let us know. That's what we here for. We have a lot of numbers in those Districts and we need them.

Remember, membership is what makes a great organization like ours work. If we all do our job it will all fall into place. Let's get the ball rolling in those 0 reporting Squadrons.

Keep " Casting For Partners " by asking for membership and the numbers will keep growing as we continue to be " Guided By Tradition " in our quest to follow in the American Legion's footsteps.

Sr Vice Commander
