Comrades,

The Detachment of Illinois Ad-Hoc Secretary of State Project Committee is asking for your enthusiastic assistance and support.

As many of you are aware, the Detachment of Illinois has been actively pursuing the State Legislature to pass **HB 6838** which would make provisions for Sons of The American Legion License Plates available to all Sons members with vehicles registered in Illinois. The enclose attachment give a short synopsis of this Bill, and it's progress.

The Committee needs your help in letting our representatives know that we would like this Bill passed as soon as possible as it is structured to provide revenues to assist our children of Illinois with Scholarship funds in Illinois. This is a win-win scenario for all. The license plates will advance the publicity of The Sons of The American Legion, along with assisting our states youth with scholarship funds, and assist the colleges and universities in Illinois with the funds.

The Committee is asking that **all members** take a few minutes of their time, and e-mail, write, and call our legislative Sponsors and Co-Sponsors of **HB 6838** and let them know passage of this Bill is important to our organization and the students of Illinois.
