Detachment of Illinois

1st Division

01/19/2009

Greetings from the Sons of the American Legion,

I am sending this to thank you for your generous donation to the cause I think is very much needed for our WWII veterans This is going to give them a chance to see something that has been in the making for 13 years for them. This will also help to get them there while we still have them.

As of this writing I have been told that there are 7 flights booked so far this year and that's going to make a lot of guys happy. I hope you are as proud to be a part of this as I am.

I also would like to invite you to the Sons of the American Legion meeting on Tue Jan 27th, 2009 @ 7:30 P.M. for a presentation of all the funds you have donated. Mr Read Boeckel (a board member) will be there for Honor Flight Chicago. He also will show a short 7 minute video as to what happens on one of these trips. It is very moving and interesting.

Again, Thank you all so much for your contributions and may we be able to keep this effort going.
