

**Oh Where!,
Oh Where!**

**Has my
JOSH Dog
Gone???**

**Commander Tommie Cisna's JOSH Dog has run away,
and we need your help finding him!**

JOSH is missing and all we could find was a note from him telling us that he will not come home until 2,500 of his brother JOSH Dogs have been purchased and given to children in hospitals all across our great nation! That works out to less than 50 Dogs per Detachment!

Here's how you can help!

Have your Squadron, District, Division, Detachment, etc. purchase as many JOSH Dogs as you wish, then have your photo taken giving a JOSH Dog to a child in a pediatric ward of a hospital near you!

E-Mail your photos to us along with the amount of Dogs purchased and we will track JOSH's progress across the country. Each photo will be placed on the SONS web-site for review and to spur some friendly competition.

The Squadron and Detachment giving away the most JOSH Dogs will receive an award at the National Convention in Louisville, Kentucky.

We will all bring some happiness to children's lives that deserve it; and put a smile on Commander Tommie's face!

Let's bring JOSH Home!

Thanks for your support!
Let us all have some fun and help Children in need as well.
Remember to report your JOSH Dog purchases.
For each dog you buy \$5 goes to the Children's Miracle Network!
