Many people were placed on the wrong list, you need to call and verify that you are indeed on the list for Illinois Vietnam Veterans motorcycle plates, NOT Illinois Veteran motorcycle plates.

The Vietnam Veteran motorcycle plates were authorized to be produced over one year ago, but there has to be 850 people to order them before the state will start production. As of April 11, 2007, only 35 were on this list. If you want to order these plates for your motorcycle all you have to do is call Carla at the Sec. of State Office in Springfield at **(217) 558-6148**.

The Illinois Veteran motorcycle plates have almost reached their goal of 850 people to start production.
